

LETTER OF INTENT

This letter is to inform the NATC that I wish to be considered for the 2008 United States Trial des Nations Team. I understand that I will be responsible for the arrangement of a motorcycle and its transportation to the event in Andorra. I understand that the U.S. Trial des Nations Team Fund will pay my entry fee for the TDN. I understand that I will be responsible for any of my expenses not covered by the U.S. TDN Team Fund. I understand that if I am selected to represent the United States at the Trial des Nations, I will treat all riders, team members, officials and the TDN rider committee members with courtesy, gratitude and professionalism. I agree to demonstrate an attitude of good sportsmanship at all times. I understand that this is a team effort and I will support the USA TDN Team in every possible way including responsibility for some aspect of the fund raising efforts. I have received and read the booklet provided by the AMA of rules and regulations and I am able to comply with all of the requirements.
